The Association of State Dam Safety Officials, (ASDSO), in conjunction with the Arkansas Natural Resources Commission, invites you to participate in a one-day *Dam Safety Workshop for Owners and Operators* on Tuesday, May 23, 2017 at the Arkansas 4-H Center , #1 Four H Way, Little Rock, AR 72223.

ASDSO is a national, non-profit professional association of engineers and others who own, regulate, or work on dams. For more information about ASDSO, refer to its web site at www.damsafety.org or call (859) 550-2788.

The workshop is designed to provide practical, straightforward information on topics of importance to anyone that owns or operates a dam. The purpose of this one-day workshop is to educate dam owners and operators. The course agenda is located below under "Workshop Agenda".

The workshop will begin at 8:30 AM, and will end promptly at 4:30 PM. A working lunch and refreshment breaks are included in the \$30 registration fee. Free information will be available throughout the day, and you will have the opportunity to meet and network with your state dam safety officials, well-known experts in the field of dam safety, and other dam owners like yourself.
